china today is never out of the news from human rights controversies and the

continued legacy of tiananmen square to global coverage of the beijing olympics and the chinese economic miracle it seems a country of contradictions a peasant society with some of the world s most futuristic cities heir to an ancient civilization that is still trying to find a modern identity this very short introduction offers the reader with no previous knowledge of china a variety of ways to understand the world s most populous nation giving a short integrated picture of modern chinese society culture economy politics and art about the series the very short introductions series from oxford university press contains hundreds of titles in almost every subject area these pocket sized books are the perfect way to get ahead in a new subject quickly our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

providing an indispensable resource for students educators businessmen and officials investigating the transformative experience of modern china this book provides a comprehensive summary of the culture institutions traditions and international relations that have shaped today s china in modern china author xiaobing li offers a resource far beyond a conventional encyclopedia providing not only comprehensive coverage of chinese civilization and traditions but also addressing the values issues and critical views of china as a result readers will better understand the transformative experience of the most populous country in the world and will grasp the complexity of the progress and problems behind the rise of china to a world superpower in less than 30 years written by an author who lived in china for three decades this encyclopedia addresses 16 key topics regarding china such as its geography government social classes and ethnicities gender based identities arts media and food each followed by roughly 250 short entries related to each topic all the entries are placed within a broad sociopolitical and socioeconomic contextual framework the format and writing consistency through the book reflects a chinese perspective and allows students to compare chinese with western and american views

this work provides an informative guide to the roots of modern china it also looks at the key challenges and opportunities that face china in the 21st century

ch ing empire political social and economic conditines people s republic sino soviet split great cultural revolution fall of lin pao china rejoins the international community nationalist government in taiwan china after mao gang of four four modernizations economic success in taiwan tiananmen square chinese model of development

after an introduction that discusses key themes in twentieth century china hutchings provides over two hundred insightful short essays arranged alphabetically that cover central figures and events from sun yat sen to jiang zemin and the boxer rebellion to tiananmen square

amongst the chinese exists great cultural variety and diversity the cantonese care more for profit than face and are good businessmen whereas fujian r r n are frank blunt and outspoken but daring and generous beijing r r n are more aristocratic and well mannered having stayed in a city ruled by emperors of different dynasties shanghai r r n are more enterprising adventurous and materialistic but less aristocratic having been at the center of pre war gangsterism hainan r r n are straightforward blunt and stubborn hunan r r n are more warlike and have produced more marshals and generals than any other province pioneers of modern china is a fascinating book that paints a vivid picture of the unique cultural characteristics and behavior of the chinese in the various provinces using leaders in the modern history of china such as sun yat sen chiang kai shek mao zedong zhou enlai deng xiaoping jiang zemin hu jintao and wen jiaobao as representatives it offers an in depth look into the psyche of the chinese people it also pays tribute to writers painters and kungfu experts who have helped to develop the country socially and artistically

in modern china all that matters jonathan clements presents china as the chinese themselves see it he explains the key issues of national reconstruction the cold war the cultural revolution and the dizzying spectacle of china s economic reform clements offers a chinese perspective on such events as the handover of hong kong and chronicles the historical events that continue to resonate today in chinese politics economics culture and quality of life a final chapter examines china s role in the global marketplace its indirect effect on foreign economies from australia to

america to africa and its growing military might with an assessment of the damage done to its environment and population in his most provocative assertion clements suggests that china s contemporary problems are not the trials of a developing nation but a possible vision of our own future this accessible and readable book will appeal both to students and general readers giving a fascinating introduction to modern china and what matters most about it

at the end of a century of political upheaval there is worldwide speculation about the growing influence of china on the world political and economic stage in the near future interest in chinese history and current affairs is growing apace this companion to modern china aims to meet the need for information amongst businessmen journalists politicians and statesmen it brings together historical insights up to date statistics and analysis and reasoned forecasts concerning the future the story of modern china is recounted through an introductory essay and is supported by an extensive list of 500 a z dictionary style entries which form the body of the text a concluding essay sketches out the options for china s future political social and economic development

a brief introduction to the history politics society and culture of china

no country has undergone a greater period of sustained and convulsive change than china in the twentieth century this is its story tracing the emergence of a modern china

the historical dictionary of modern china 1800 1949 offers a concise but comprehensive examination of the political military economic social and cultural development of modern china instead of focusing merely on the political elites of china this reference covers a variety of significant persons including women and ethnic minorities new historical concepts cultural and educational institutions and economic activities drawing on newly available records including a large mass of governmental and family archives the narratives presented reveal new facts offer a new interpretation in accordance with china s modernization process during the late

qing period and a revisionist perspective on the republican history the chronology records not only political and military events but also other experiences of the chinese people the bibliography gives prominence to current literature on china s drive towards modernization and appendixes provide the reader with detailed information on china s cultural and economic transformation

examines the history of the global power including its dynastic times how the communists took over and its role in the world today

an intellectual history of modern china is the only comprehensive book on modern china s intellectual development from the nineteenth to the end of the twentieth century while existing studies tend to focus on individual chinese thinkers this book includes all the major chinese thinkers as well as political figures who have influenced china s modern history merle goldman and leo ou fan lee introduce this this collection of essays drawn from the later volumes volumes 12 13 14 15 of the cambridge history of china the chapters authored by eminent historians and social scientists in the field of chinese studies together trace the transformation of confucian ideas the introduction of western views and the resulting uniquely chinese view of the world by linking key intellectual developments and figures to emerging political movements they explain the profound impact of changing ideas and values on chinese politics and revolution merle goldman brings the history up to date with a new concluding chapter on the post mao era and china s intellectual scene at the end of the twentieth century

in the second half of the 19th century china appeared as the sick man of asia rocked by recurrent revolts and huge natural disasters ruled by an anachronistic imperial system and humiliated by foreign invasions karl marx saw it as bound to disintegrate like any mummy carefully preserved in a hermetically sealed coffin the first half of the 20th century was even worse culminating in fourteen years of invasion by japan four years of civil war and three decades of chaotic oppressive rule by mao zedong that killed tens of millions now at the start of the 21st century china is a major global force booming economically and confident that it holds the keys to a future in

which it will rival the united states it is impossible to understand modern china without understanding the country s terrible recent past and jonathan fenby s magnificent new book is the essential work the penguin history of modern china is both a brilliant narrative crammed with surprising and interesting stories and a profound study of the nature of political power and its abuse

an excellent introduction to the large trends of early chinese history ideal for those new to the subject school library journal

traces the lives ad accomplishments of chinese intellectuals from the boxer rebellion to the birth of the peoples republic and details their responses to change and tradition

provides critical information on the most populous country and most dynamic trade market in the world the people politics economics religion philosophy traditions art and literature of this ancient and enduring civilization are explored from the beginning of the nineteenth century to the present day
