karate is currently enjoying wide popularity the world over we encounter it frequently in books films and on television there are few people who have not seen a demonstration of brick or wood breaking or a single bare handed man defeat a host of armed opponents but karate is much more than this it was developed over a thousand years ago not only as a form of unarmed combat but as a way to discipline the body in order to improve the spirit in this way a unity of body and spirit could be achieved if this sounds too abstract perhaps we can use terms that are easier to deal with besides conditioning the body and improving speed strength and co ordination karate increases one's alertness and self awareness

a kyokushin karate coming of age story just another unassuming undergrad yes but this one carries a terrible secret one that's driven him through seven years of hellish karate training and study so that he might learn to bear its weight seven years have already taken nathan ligo to japan where he spent 600 days in the most rigorous monastic karate program in the world training under the watchful daily supervision of masutatsu oyama japan's most famous living karateka but it's not until he suffers a crushing defeat in japan and returns home empty handed that he comes to understand that the combination of three treasured sources of his ongoing education just might hold the key to unlocking an awesome truth the samurai like do or die education he acquired from his karate teachers the progressive liberal arts education he acquires at north carolina's davidson college and the enlightened open eyed and all loving character education he received in the first decade of his life from his father

three sometimes violently warring components combine to show nathan that he just might use the dark secret that he carries to enact a great good for the children of the future that is if he s willing to make the necessary sacrifice far better it is to dare mighty things to win glorious triumphs even though checkered by failure than to take rank with those poor spirits who neither enjoy much nor suffer much because they live in the gray twilight that knows neither victory nor defeat theodore roosevelt the only american student of the legend mas oyama at the time of masutatsu oyama s death in 1994 he was regarded by many as the world s greatest living karateka his kyokushin karate had spread to 133 countries around the world and was reputed to have touched as many as twelve million students forty years earlier the korean born mas oyama had himself become a virtual revolution in the world of japanese karate in that it was he who introduced stone and therefore bone breaking power to the highly stylized traditional forms of karate that had come to exist in japan kyokushin karate became known for its no nonsense practicality its fearsome physical power and a theretofore unseen degree of spiritual strength conjured through a revival of japan s do or die samurai personality once kyokushin exploded to such incredible proportions mas oyama took on only a very few students that were his own that he himself guided day by day in an attempt to ensure that his teaching would endure uchi deshi literally means live in disciple it is the opposite of the kayoi deshi or commuting student who merely visits the dojo regularly for training mas oyama s uchi deshi program was a one thousand day monastic karate program for his small group of personal students who lived in the young lions dormitory a small building attached to his world headquarters dojo in tokyo in 1993 nathan ligo become the only american to hold a graduation certificate from this program given to him by mas oyama in recognition of the 600 days he lived in the young lions dormitory
