this study examines the origins of the vietnam war itself going back to the nature of french colonial rule in the early 20th century it investigates the original conflict between france as well as the united states and the forces of vietnamese nationalism and communism it argues that it was probably a mistake for the united states to internationalize the war in 1954 and it discusses the american commitment to the war directed as much against china as against north vietnam and the ideological hostility to communism

a companion to the vietnam war contains twenty four definitive essays on america's longest and most divisive foreign conflict it represents the best current scholarship on this controversial and influential episode in modern american history highlights issues of nationalism culture gender and race covers the breadth of vietnam war history including american war policies the vietnamese perspective the antiwar movement and the american home front surveys and evaluates the best scholarship on every important era and topic includes a select bibliography to guide further research

the vietnam war was different from most previous u.s. wars of the twentieth century it was an undeclared and limited war the draft to supply the soldiers and serious problems in the selective service system meant that the burden of the war was carried disproportionately by minorities and working class whites many of whom did not want to serve while many americans saw service in vietnam as their patriotic duty others opposed the war this is the story of the men and women who served in that war whether overseas in active combat or in support roles in vietnam and stateside

the first comprehensive military history of the war in vietnam the vietnam war cast a shadow over the american psyche from the moment it began in its time it sparked budget deficits campus protests and an erosion of u.s. influence around the world long after the last helicopter evacuated saigon americans have continued to battle over whether it was ever a winnable war based on thousands of pages of military diplomatic and intelligence documents geoffrey wawro's the vietnam war offers a definitive account of a war of choice that was doomed from its inception in devastating detail wawro narrates campaigns where u.s. troops struggled even to find the enemy in the south vietnamese wilderness let alone kill sufficient numbers to turn the tide in their favor yet the war dragged on prolonged by presidents and military leaders who feared the political consequences of accepting defeat in the end no number of young lives lost or bombs dropped could prevent america's ally the corrupt south vietnamese regime from collapsing the moment u.s. troops retreated broad definitive and illuminating the vietnam war offers an unsettling resonant story of the limitations of american power
