the falklands gave him a taste for killing northern ireland gave him a reason to turn traitor the ira gave him the chance to kill again the traitor s contract offers non stop action when jack halloran a brilliant war hero turns traitor after a brutal attack on his counter intelligence organization halloran knows he s being hunted it s fight or flight and halloran never runs teaming up with a rogue ira boss he enacts a terrorist attack that will shake the world to its core

kadare is inevitably linked to orwell and kundera but he is a far deeper ironist than the first and a better storyteller than the second he is a compellingly ironic storyteller because he so brilliantly summons details that explode with symbolic reality the new yorker at the heart of the ottoman empire in the main square of constantinople a niche is carved into ancient stone here the sultan displays the severed heads of his adversaries people flock to see the latest head and gossip about the state of the empire the province of albania is demanding independence again and the niche awaits a new trophy tundj hata the imperial courier is charged with transporting heads to the capital a task he relishes and performs with fervor as he travels through obscure and impoverished territories he makes money from illicit side shows offering villagers the spectacle of death the head of the rebellious albanian governor would fetch a very high price indeed the traitor s niche is a surreal tale of tyranny and rebellion in a land where armies carry scarecrows state officials ban entire languages and the act of forgetting is more complicated than remembering long listed for the 2017 man booker international prize the name of the albanian novelist ismail kadare regularly comes up at nobel prize time and he is still a good bet to win it one of these days he is seemingly incapable of writing a book that fails to be interesting the new york times
